DECLARATION UNDER 37 CFR § 1.131

1. We, Karen Ann Sheppard and Robert A. Migliorini, declare as follows:
2. We are inventors in the patent application identified above and have personal knowledge of the facts recited below.
3. Prior to June 13, 2000, we prepared the "Information for Patent Consideration" document attached as Exhibit A. This Information for Patent Consideration document led to the filing of the above-identified patent application.
4. The Information for Patent Consideration document shows three layer heat sealable lamination grade coextruded structures.
5. The Information for Patent Consideration document also shows the inclusion of cavitating agents in the core layer of the heat-sealable films.
6. The events discussed above all took place in the United States.
